

## Competitive Examination Cell

The College has established a Competitive Examination Cell for career guidance and training for various types of competitive examinations conducted by Centre State and other organizations so as to enable them for better job opportunities and employability. The Cell organizes special lectures on Personality development, Language skills, soft skills and awareness programmes about different types of competitive exams after graduation and post gradation.

### OBJECTIVES

- To provide the guidance in various examinations such as, civil services, UGC-NET, army, police, education etc.
- To develop good administrators.
- To make students competent to attend competitive exams.
- To create awareness among students about their social & civil responsibilities.
- To help learners make appropriate and realistic career choices & career direction.
- To acquire leadership qualities and democratic attitude.
