The Cell has been organising varied academic, technical, medical, cultural and social events for the upliftment of women and spread the real importance of gender equality in society through College students.

### **Objectives:**

- To identify women with strong leadership qualities and to build their capacity.
- To promote a culture of respect and equality for female gender.
- To provide opportunities and programs for female gender to be financially, mentally and emotionally empowered so as to promote their growth as individuals in their own right.
- To make them aware about the guidelines of Supreme Court and to ensure that sexual harassment is treated as an unacceptable social behavior within the institution and the society.
- To involve NSS students of the college to interact with rural and urban women that lack formal education and identify projects suitable for the gradation using technology.
